In the tall people's city, everyone chattered.

Using big words was all that mattered.

The pocket brothers lived in the land of tall.

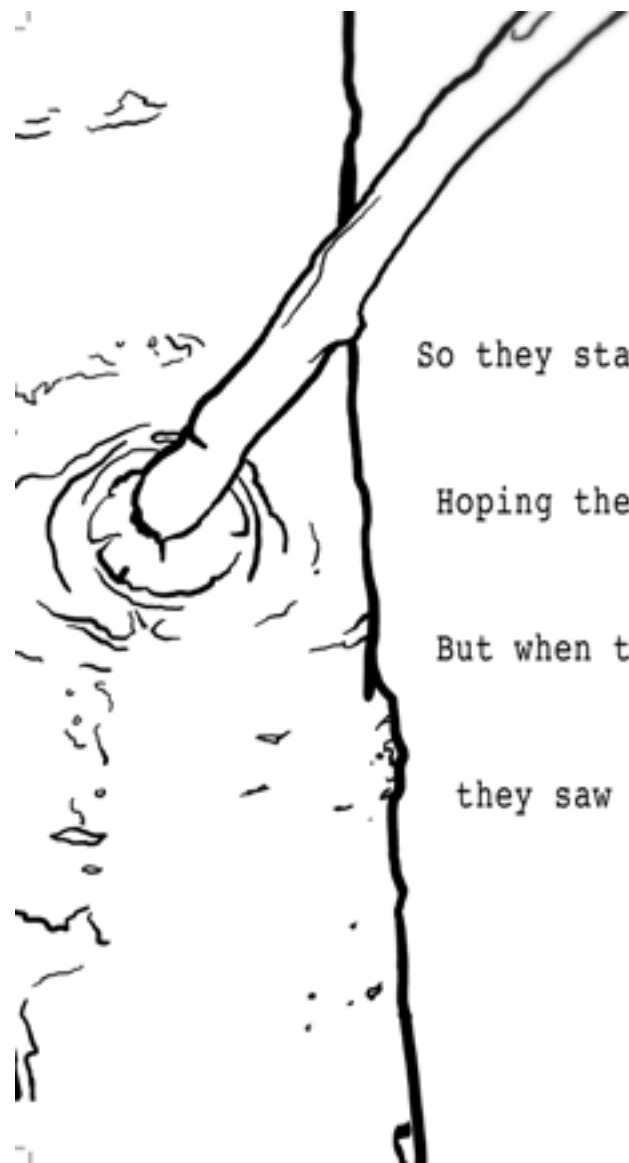

Their only problem was they were quite small.

Nobody could hear them when they tried to speak.

Nobody could see them, not even a peek.

So they started climbing a rather large tree,

Hoping the height would let them be seen.

But when they arrived at almost the top,

they saw something that made them stop.
