Finishing Services

binding

Perfect binding, coil binding, saddle stitching and shrink wrapping are finishing services available in-house for your publication. Small quantities are both high quality and affordable with our Horizon BQ 140 perfect binder. Our bindery also includes a Sprint 5000 booklet maker for efficient saddle stitched magazines and booklets.

perfect

For paperback books our Standard Horizon BQ-140 produces up to 150 top-quality books per hour. It features a dynamically-adjusting nipping clamp and double-pass notching to facilitate adhesive penetration for strong, lasting binds. Maximum binding thickness is 1.2". Minimum book size 5.8" x 4.1". Maximum book size is 11.8" (spine) x 15.7".

Spine thickness with
20# bond/50# book
250 sheets/500 pages per inch
10 sheets/20 pages per millimetre

Stitched

For magazines, booklets and newsletters our Sprint 5000 jogs, folds, and staples in one operation. It is capable of corner, side, and saddle stapling. Paper size: 5.5" x 8" to 11.5" x 17.5". Two stapling heads. Maximum 22 sheets (88 pages 20# bond/50# book).

folder

Our AB Dick 87 air feed rises to the challenge and will handle anything our printers can throw at it.

coil

For journals and cookbooks our Rhinotuff uses Plastikcoil 4:1 pitch in a variety of colours.

shrink

For course packs and mixed media packs our Seal & Shrink with tunnel keeps it all together.
